

Remarks

The specification has been amended to claim the benefit of a prior-filed application.

Claim 4 has been amended to depend on a single claim rather than multiple claims as originally filed in the international stage application. New Claim 22 has been added and is supported by original claim 16. Claims 20 and 21 have been cancelled without prejudice to the filing of any subsequent applications containing the cancelled claim.

These amendments add no new matter.

A favorable action on the merits is respectfully requested. Should the Examiner wish to discuss the foregoing in an effort to advance this application towards allowance, the Examiner is urged to telephone the undersigned at the indicated number.

Respectfully submitted,
